Join Qigong Master Simon Blow as he shares his twenty five years of teaching experience in a four day intensive teacher's training workshop. Simon will be imparting valuable skills and teaching the Qigong cultivation methods from his books *The Art of Life* and *Restoring Natural Harmony*. This is the first level of training with another intensive workshop and assessment within twelve months to receive an instructor's certificate. Ba Duan Jin translates to the Eight Method Essence and is also known as Daoist Yoga. It is one of the most widely practiced and best known forms of Qigong consisting of eight simple exercises that stretch the major muscles and organs of the body and stimulates the meridian system.

Taiji Qigong Shibashi is a popular practice made up of eighteen gentle, flowing movements that harmonise mind, body and breath, strengthening the whole body, massaging internal organs, exercising muscles and lubricating joints as it increases the circulation of Qi and blood through the body.

Guigen Qigong is a Traditional Chinese Medicine exercise that's helps to regulate the meridian system. Learn simple flowing sets of movements for the different organ groups of the body, Spleen, Lungs, Kidney, Liver and Heart which relate to the five elements - Earth, Metal, Water, Wood and Fire. These internal exercises help regulate the meridian system bringing harmony to mind, body and spirit.

With regular practise Qigong helps cleanse the body of toxins, restore energy, reduce stress and anxiety and help individuals maintain a healthy and active life. Simon conducts many retreats and workshops throughout Australia and has been leading specialist training tours to China to learn from masters at the source since 1999. He is also the author of numerous books, DVDs and meditation CDs about the ancient Chinese healing arts
