The Six Healing Sounds or 'Liu Zi Jue' is an ancient health cultivation practice from China, with a rich proud history of over 2000 years. The classics say: 'there is one way to breathe in and six ways to breathe out'. Learn gentle movements and mantras for the internal organs of the body: Liver, Heart, Spleen, Lungs, Kidney and San Jiao (Triple Heater). The Six Healing Sounds gently vibrates and massages the internal organs, clears stagnation and stale energy from the body, and harmonises the emotions to create a state of inner peace.

With regular practice Qigong helps cleanse the body of toxins, restore energy, reduce stress and anxiety and help individuals maintain a healthy and active life.
