These Qigong Workshops are offered as non-residential, intensive training programs to enable the study and practice of original Da Yan - Wild Goose Qigong.

Held in a boutique wellness centre in Euroa, where you will be expertly guided through the 1st and/or 2nd 64 Movement form and meditation sessions by Qigong Master Simon Blow. Its designed for those who already have experience in Da Yan Qigong. This is an opportunity to relax and re-energise in the picturesque, high country of Victoria.

With regular practice Da Yan - Wild Goose Qigong helps cleanse the body of toxins, restore energy, reduce stress and anxiety and helps individuals maintain a healthy and active life.

Qigong Practice – 1st 64 and 2nd 64 Da Yan Movements

Da Yan translates to the great bird and is an ancient Qigong practice that was developed by Daoist Masters about 1700 years ago in the sacred Kunlun Mountains in south west China. Its healing legacy has been passed down through many generations, Simon is an authorised teacher and an initiated student of the 28th linage holder Grand Master Chen Chuan Gang.

The movements represent the flight of Wild Geese and help to expel toxins from the body, cleanse the meridians, improve blood flow and draw in and circulate fresh Qi. The 1st 64 Movement set deals primarily with the "post-natal" body and addresses illnesses or injuries that have developed as a result of everyday life.

Having dredged the channels in the 1st 64 form, the 2nd 64 movement set deals primary with the "pre-natal" body and is designed to clear the channels, absorb fresh Qi, expel stale Qi and restore organ balance. The pre-requisite to undertake the 2nd 64 is completion and a good working knowledge of the 1st 64.

The Venue

One to One Well Being Centre is situated in a grand old house built in 1895 in the heart of Euroa, nestled at the base of the Strathbogie Ranges. The Centre has a large group room, architecturally designed and ideal for Qigong practice and meditation. There are morning sessions run outdoors under the trees on the banks of the nearby beautiful Seven Creeks.

The property is a two hour drive or train trip north east of Melbourne.

We wish to acknowledge the Traditional Custodians of the land on which we meet. We pay our respects to Elders past, present and emerging.
